

Partnership between students, parents/families, and staff is essential to maintain a safe and positive learning environment on a daily basis. We need your assistance in making sure that your student(s) arrive at RAS in a timely manner so that we as a school can protect the integrity of their academic day. Students are allowed in school as early as 7:45 a.m. and 12:15 p.m.

Why: Tardiness creates a substantial disruption to the learning environment at RAS, 3 tardies= 1 absence. The volume of tardiness during 1st quarter has created both a safety and attendance issue that will be addressed by consistently abiding by the tardiness policy.

What: Enforced Tardy Policy (No admittance into school after 8:30 am or 1:00 pm, unless call is made giving permission to enter school).

Where: RAS- both AM and PM shifts

When: Policy will be enforced beginning 10/24/16, the policy will be thoroughly communicated and practiced during the week of 10/17/16-10/21/16.

How: Tardy students will not be allowed in school after the designated times due to the substantial disruption of repetitive tardiness.
